### Monthly Update for March 2018

#### **Hope Mission**

We had a great year last year with all your support. In 2017, we served 39,718 meals in our soup kitchen. We helped 268 families with our emergency financial assistance fund. We housed and provided support for 164 homeless men.

We also started 2018 off strong with the opening of our women's homeless shelter! We will be holding a ribbon cutting on March 20, 2018.

#### **Hope Recovery Homes**

We exist solely for the purpose of helping those suffering from alcoholism and drug addictions find a solution to their problem. Following the traditions of the Alcoholics Anonymous 12 Step Program we believe that God is the solution. We proudly serve 25 counties in Eastern North Carolina. From July of 2017 to date we have served 47 men and women who reside with us for a six month period.
