#### Hope Mission

Did you know that our Golf Tournament is less than a month away? This is one of our two major event fundraisers for the year (the other being Empty Bowls in February). We are all working diligently to get everything ready, however we are still looking for sponsors, teams, and volunteers. If you own or are associated with a business, we would love for you to sponsor us. This also benefits your business as it will get your name out there for all to see. For all the information on the Golf Tournament visit our webpage.

#### Hope Recovery Homes

"It was at Hope Recovery where I learned I was enough and that my life was worth living. I arrived exhausted and starving for so much more than food. At Hope I was provided structure, built boundaries and learned the importance of honest hard work. The people loved me until I could love myself. Today I am able to give back into the recovery community what was so freely given to me. If the only reason for my struggle is so I can look into another woman's eyes and say, "I know how you feel" then it was worth it. With almost 4 years of recovery it is only by the grace of God I am alive today. Long term Recovery is possible when you have a strong foundation of Hope." - Alison

This is just one of the success stories that comes from our Recovery Program, you can read more on our website.
