Monthly Update for August 2018

Each month, this update will bring you an overview of what has been going on in each of Hope Mission's Ministries. We hope you enjoy this update. And if you have any suggestions, comments or questions, please send them to us using the contact form on any of our websites.

Hope Mission

So far this year we have helped 135 men and women in our homeless shelters! That is amazing, and we could not do it without the support from each and every one of you.

Many of the individuals in our homeless shelters come in with the clothes on their back and the first thing they do when they get here is get a hot shower and some clean clothes to wear. In order to continue we need some help. We need donations of some of the items listed below to help us.

- T-Shirts (Men's & Women's All Sizes)
- Shorts (Men's & Women's All Sizes)
- Boxers & Underwear (Men's & Women's All Sizes)
- Sports Bras (All Sizes)
- Laundry Detergent

We'd also like to THANK everyone who supports Hope Mission because we know we couldn't continue to serve others with many hands and one heart without each and every one of you!

Hope Recovery Homes

"Without Hope Recovery Homes I believe that I would not be here today. They showed me the true light that can only come from God. I have more than hope, I have a relationship with God, and I have self-confidence, goals for myself and my family and a sense of well-being. I can honestly say I am happy and free." -Program Graduate

Can we do the same for you or your loved one? If you or someone you know need recovery, please visit our website at www.HopeRecoveryHomes.org/ to get more information.
