Monthly Update for November 2018

Each month, this update will bring you an overview of what has been going on in each of Hope Mission's Ministries. We hope you enjoy this update. And if you have any suggestions, comments or questions, please send them to us using the contact form on any of our websites.

Hope Mission

So far this year we have served over 30,000 meals! That is amazing and would not be possible without all the support we get from those in our community and beyond! With Thanksgiving coming up we wanted to take a minute to thank everyone for the continued support of Hope Mission.

On November 17, 2018 we will be having a food drive at the Morehead City Walmart. This will help us restock our pantry to continue to feed the community. Stop by and visit us, we will have wish list available if you are interested in buying something or we always take monetary donations.

Also, just a reminder that Hope Mission will be open on Thanksgiving with an amazing group of volunteers who will be serving and providing lunch! We look forward to seeing you all this holiday season.

To learn more about Hope Mission visit our website www.HMCM.org and be sure to like us on Facebook at <https://www.facebook.com/HopeMissionofCarteretCounty/>

Hope Recovery Homes

Did you know holidays can be especially tough for those in recovery? We have beds available if you know anyone who wants help with their drug or alcohol addiction!

We offer a six-month state funded (at no cost) program for those who qualify. This program consist of alcohol and drug free transitional residences which foster and promote individual growth and the restoration of meaningful, productive, and spiritual lives.

Please visit our website at www.HopeRecoveryHomes.org/ to get more information.

Hope Mission Thrift Store

It's finally starting to feel like fall and that means we will be doing our season changeover in our clothing section. Come stock up your winter wardrobe for amazing prices! And while you are here head down to our furniture store and look at our large selection of Christmas items.

We will also be planning a Black Friday and Small Business Saturday sale on November 23rd and 24th, 2018. Be sure to be watching Facebook for details!

For more information on our store visit our website at www.HopeMissionThriftStore.org and visit our [Facebook](#) page to catch all the deals.

Upcoming Events

Food Drive

November 17, 2018

We will be having a food drive at the Morehead City Walmart. While you are shopping for your thanksgiving dinner supplies be sure to grab some items for us!
